

EASTER NEWSLETTER

Welcome

It's been another great term for Childrens University delivering outreach workshops to over 120 children and onboarding new schools. Thank you to Moat Hall Primary Academy for sending over photos of your lego universities. They were great!

We have also confirmed dates for the graduations at University of Staffordshire. Whether your child's school will be graduating on campus or in school, keep an eye out for more information which will be circulated shortly.

Invertebrates Fair 2026

Thank you to everyone who attended The Invertebrates Fair in March.

It was wonderful to see how engaged children were with all of the different stalls and see so much learning taking place.

We spoke to over 170 people from the local community and made many concertina caterpillars with you all. Thank you for your creativity!

We hope to see some of you there again next year.

Easter Activities

There are lots of activities happening over the Easter break. Take a look at some advertised below or search on the Children's University website.

You also have our activity sheet to keep children learning over the holidays as well as Paw Print's Spring activity pack which you can access below.

<https://pawprintfamily.com/challenge-packs/childrens-university-spring-challenge-pack/>

Learning Destination spotlights

Mitchell Arts Centre

Head over to the Mitchell Arts Centre in Stoke for a variety of activities to keep your children entertained over Easter. From Clay Time, to Tik Tok Dance Workshops there's plenty to get involved with. Visit their 'What's On' section of the website to book on. You'll get CU credits for taking part in these too! www.mitchellartscentre.co.uk

Potteries Museum and Art Gallery - Spitfire Gallery.
