

EASTER TODAY - EASTER GARDENS

1. Fill the tray with soil or potting compost.
2. Arrange it to make a hill on one side of the tray.
3. Cover the soil with moss, grass or sand.
4. Make three crosses with dried twigs tied together and place on the hilltop.
5. Press the small pot into the hillside to make a cave like the garden tomb. Place the stone over the mouth of the tomb.
6. Plant some flowering plants or bulbs.
7. Make a path coming from the tomb with gravel, to show how the disciples ran to the tomb on Easter morning.
8. Early on Easter morning, move back the stone from the tomb ~ showing that it is empty.
