

Pascal Candle

You will find the Pascal candle in church.

Today we are going to think about the Candle and what the symbols mean.

The Cross

The Cross reminds us that Jesus died on the Cross. It is red to remind us of his blood.

The 5 studs

There are 5 studs
to remind us of the
5 wounds that
Jesus had.

Alpha and Omega

These are the first and last letters of the Greek alphabet. They are there to remind us that God is beyond time, the beginning and the end.

The Candle

The candle reminds us that Jesus is the light of the world.

Independent activity

Can you have a go at completing the worksheet to match the words to the candle. Discuss what each of them mean.
