

Christians believe there is an afterlife. Although the body dies and is buried or cremated, they believe that their unique soul lives on and is raised to new life by God- there is **eternal life**

As Christians we believe that Jesus rose from the dead three days after his crucifixion it gives us hope that if we follow Jesus' teaching and accept him as Lord and Saviour, then this new resurrection life awaits us.

By being born as a human being and then dying on the cross, Jesus made this new 'life after death' possible for all.

Christians believe that God is just and fair, and so cannot let evil go unpunished. Most believe in the idea of judgement after death, and that God will treat people in the afterlife according to how they lived their life on earth.

**Jesus said, 'I am the resurrection and the life.
He who believes in me will live, even though he
dies.'**

John 11:25-26

**God so loved the world that he gave his one and
only Son, that whoever believes in him shall not
perish but have eternal life.**

John 3:16
