

Curriculum Information - Foundation Stage Summer 1

Welcome back boys and girls!

We hope you had a happy and Holy Easter break and that you had some special time with your families to have fun! We cannot wait to get started this half term!

This half term we will be having a big focus on our new topic '**On the Farm and Summer**'. We will be exploring some of our favourite texts such as Farmer Duck and the What the Ladybird Heard, we will also be learning about planting, growing, healthy living and eating and life and plant cycles. This topic will allow to explore how we can keep ourselves healthy and who helps us to do this. We will also discuss recycling!

In R.E we will be beginning with Easter and then focusing on Pentecost.

We also love to welcome and use the children's interests as the starting point for our planning and activities and so we ask that if your child has developed an interest in a particular topic, a place they have visited or an activity they have completed. Please let us know so that we can build on this learning. You can send your ideas in your child's reading diary, homework book or you can let one of our members of staff know.

A few points to remember:

- Please bring in book bags only, no back packs (unless children need spare clothes due to toileting needs)
- It is important to keep your child's **reading book, diary and word purse** in your book bags **every day.**
- Please bring in a water bottle for your child to have

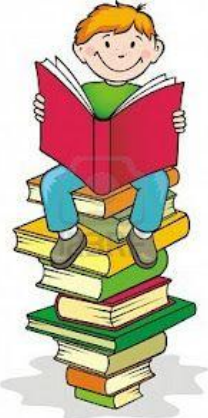

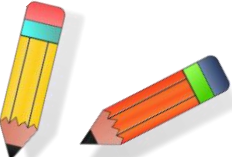

TOY FUND!

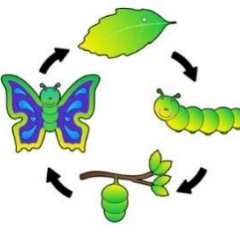

We love to keep resources nice and be able to buy resources when children have particular interests. We would like to ask for a donation of 50p a week for your child. This 50p would go towards new toys and learning resources for your children. This donation would be greatly appreciated if you are able to contribute. You can bring the 50p in weekly or if you would prefer to donate for the half term that is also fine.

Please use the pot in your book bag for this.

Many thanks for your continued support.
