Friday 4th September

Dear Parents/Guardians,

Potteries Museum - Thursday 17th September

As part of our science learning this term, we are delighted to be taking the children on an educational visit to the Potteries Museum to participate in a Rocks and Soils Workshop.

This exciting workshop is closely linked to our science topic and will provide children with a hands-on opportunity to investigate different types of rocks and soils, explore how rocks are formed, identify their properties, and understand how they are used in everyday life. The visit will enrich classroom learning through practical activities and expert-led sessions.

We are asking for a contribution of £10.00 towards the cost of the trip;

Please log into your Arbor account to give consent/contribution for the trip. The deadline for completion of consent is Thursday 10th September.

Please provide a packed lunch for you child, if you would like the school to provide one this will be charged at £3.25 unless your child is entitled to free school meals. Please inform the school office if you would like the school to provide a packed lunch by the deadline date above.

Thank you for your continued support.

Yours Sincerely,

Mrs Catalano
Class Teacher
