

Focus words: God, Four, Five-Frame, Celebration, Bear

Talk about the words and what they mean. Use the words within a sentence throughout the week.

Focus Story:

Brown Bear, Brown Bear,
What do you see?

Bill Martin Jr / Eric Carle

123

Maths

This week, children in **Reception** will start to count to 3 and back from 3. They will link the skill of counting 3 concrete objects to the pictorial representation of 3, and then to the abstract numerals 1, 2 and 3.

Children in **Nursery** will start to look at different colours. We will focus on red, blue and yellow and will name, sort and match objects by colour.

Rhyme of the Week:

Colours all around us

Please see additional sheet

Maths Teaser and Challenge

4 bears are hungry for their dinner but there is only 1 bowl! How many more bowls do we need?

Can you spot anything at home that is the colour purple? How many things can you spot?

Notices

EYFS/KS1 Celebration Assembly 9:00am Friday

P.E. - Friday mornings - Please ensure full PE kit is in school and labelled 😊

We would greatly appreciate your 50p weekly donation to our toy fund, thank you! (Or you could pay for the full half term if you wish) We will be sending home a little pot with your child's name on 😊

This week the children will...

- Reception will revisit the sound 'a' and learn the sound 't' through various activities
- Nursery will be continuing to explore colour in maths, and in phonics they will be thinking about different sounds they can make that are loud, quiet, fast and slow.
- Continue our topic of 'Creation' in R.E
- Reception will complete their baseline assessments
- Each complete the Stoke speaks out assessment
- Take part in P.E on Friday afternoon - practicing fundamental skills through balance and movement.
- Go on an environmental listening walk - what sounds can we hear?

Colours All Around Us Song

(Sing to the tune of 'Here We Go Round the Mulberry Bush')

Red is the colour of a rose,

Of a rose, of a rose.

Red is the colour of a rose,
We like to sing about colours.

Green is the colour of the grass,
Of the grass, of the grass.

Green is the colour of the grass,
We like to sing about colours.

Blue is the colour of the sky,
Of the sky, of the sky.

Blue is the colour of the sky,
We like to sing about colours.

White is the colour of the snow,
Of the snow, of the snow.

White is the colour of the snow,
We like to sing about colours.

Pink is the colour of a pig,

Of a pig, of a pig.

Pink is the colour of a pig,
We like to sing about colours.
