Friday 2nd October

Biddulph Valley Park – Friday 9th October

Dear Parents/Guardians,

As part of our Geography topic 'Who lives in a place like this?', we will be taking the children on a class walk to Biddulph Valley Park to explore our local area on Friday 9th October.

We will leave school after lunch and return before the end of the day. The children will be accompanied by myself and several other adults.

During the walk, the children will have the opportunity to observe their surroundings and identify different human and physical features. We will be looking at human features, such as paths, bridges and buildings, and physical features, such as trees, plants, rivers and other natural features of the environment.

This will be a lovely opportunity for the children to develop their geographical knowledge and understanding by exploring the local area first-hand.

The children should come to school wearing their usual school uniform, along with appropriate coat and footwear for the weather.

Please log into your Arbor account give consent for the trip by Wednesday 7th October.

Thank you for your continued support.

Your Sincerely,

Miss Fowell
Class Teacher
