

Curriculum Information - Year 2

Summer 2 Week Beginning 06.07.20

Hello children, parents and families.

Well the weeks are just flying by and we are now in the month of July and quickly approaching the end of term. Its been so lovely to see so many of you on line last week, either joining Mrs Stonier and I on a Monday as we give an explanation of the home learning for the week or taking part in one of the on-line lessons. It would be lovely to see you all again on Monday afternoon, it is so nice to see your smiles and for those of you who have joined us I know you have enjoyed seeing your friends on screen too. This week Mrs Stonier will be leading a Maths lesson on-line and more information and a link will be sent to you this week.

Once again thank you for all of the lovely work that you keep sending in to us.

Much Love.

Take care and stay safe.

Love and prayers, Mrs Clewes, Mrs Stonier and Mrs Bates

RE

The Church

Early Church: St Peter

Last week we learnt about St Paul and his conversion on the road to Damascus. This week we will learn about another one of Jesus disciples, Simon Peter.

Use the power-point attached to find out information about key things that happened to Peter after Jesus death and how Peter was given a special job by Jesus to build the early Church.

English

Poetry

Focus: A nonsense poem called The Quangle Wangle's Hat by Edward Lear.

This week I have attached a power-point with some guidance for the activities each day.

Monday: Talk/Reading Challenge

Tuesday: Story map challenge

Wednesday: Description challenge

Thursday: Plan your poem

Friday: Write your poem

Phonics

I have attached phonics planning for three different groups working at phase 3 and phase 5.

There are three lessons for each group and a dictation exercise.

SPELLINGS

See spelling sheet for the week.

Please practice your spellings ready for your spelling quiz on Friday - good luck!

Maths

There is a power-point attached again this week to help you.

Tasks on My Maths:

Mental addition and subtraction

Mixed sums all numbers

Addition and Subtraction problems

Additional maths:

Monday- Adding multiples of 10 mentally

Tuesday- Adding 10's to a 2- digit number mentally

Wednesday- Adding near multiples of 10- focus number ending in 1

Thursday: Adding near multiples of 10- focus numbers ending in 9

Friday: Recap of adding 9 and 11.

Science

Animals Including Humans- Keeping Clean

This week we will talk about handwashing, which I am sure we all understand the importance of during the Covid-19 Pandemic. I have also added a power-point and an activity to complete at home. There are some additional games too below, which you may like to play with your family.

Some Additional Activities:

- Hygiene heroes' game
- Hygiene bingo

Geography

Our Food Our world

Last week we looked at the lives of two children, one from Mexico and one from India. This week we will look at the location and traditional foods from the following countries:

- Spain
- Italy
- Caribbean
- Japan
- China
- Greece

Activities:

1. Locating countries on a world map
2. Naming continents.
3. Naming foods that are eaten in different parts of the world.

	4. Identify similarities and differences between England and other countries in Europe and beyond.	
D&T 	This term our topic is making and following a recipe. Previously I have attached a recipe booklet with simple recipes for children. Please chose another recipe and how a go at creating it with a member of your family.	
Computing 	Coding Have a go at coding by following the step-by-step guide to play a game at https://www.codeforlife.education/rapidrouter/ Please complete the "Traffic Lights" Level 44-50	
PE 	Joe Wicks' Daily workout https://www.youtube.com/user/thebodycoach1	
Music  British Sign Language	With a parent or adult try learning the song "Hands in the air" and the actions (BSL) https://www.bbc.co.uk/teach/bring-the-noise/hands-in-the-air-bsl/z4rdd6f/	
PSHE 	<u>Changing Me-Looking Ahead</u> This week I would like you to write a letter to Mrs Catalano who will be your new teacher in Year 3. I will attach a guide for you with some ideas of the things that you could add to your letter and I will include Mrs Catalono's email address or you might prefer to write to her by letter and post it to school. I'm sure this will be a lovely surprise for her.	
Reading 	Please read daily https://www.oxfordowl.co.uk/ Other website which you may find useful are: <ul style="list-style-type: none"> • Storyline Online - https://www.storylineonline.net/ 	

- **International Children's Digital library** - <http://en.childrenslibrary.org/>
- **Amazon's Free Kids e-books** - <https://www.amazon.co.uk/free-ebooks-kids/s?k=free+ebooks+kids>

Accelerated reader - Children will be able to access the accelerated reader quizzes at home. Please follow this link to access this quiz:

- <https://ukhosted5.renlearn.co.uk/2248169/>

If you are wondering which book to choose. Please look at the website AR book find so you can find out if the book is quizzable and what level it is at!

Another reading website I can recommend is 'Reading Eggs' There is a charge for using this website but the website are offering a 30 day free trial.

<https://readingeggs.co.uk/>

No birthdays in Y2 coming up this week.

Congratulations!

Well done to everyone who is taking part in home learning - you are all amazing!

This week I have had some fantastic photos sent to me of home learning from the following children:

Orla: Has had a great week and has baked some delicious scones as part of her D&T home learning. They looked AMAZING!

Dillon: Has had a great week and has had a great attitude to his work.

Elaya: Has made a fabulous bird house for her garden and she has thought about everything that they could possibly need. Thank you so much for the video, it really brought a smile to my face!

Congratulations!

	<p>Well done too to the children who are completing My Maths challenges online you are getting some fantastic scores!</p>
