

# Phoneme Spotter

Can you circle all of the **ear** words in the two sentences below?

At the rear of a shed, there lived a family of earwigs.  
There were three dear little children that had been  
born at the start of the year.

Can you circle all of the **oi** words in the sentences below?

Jack and Bob did not want to spoil the coin  
with the poison. So they got a stick with a  
point and they used it to get the coin. Then  
they wrapped it in foil and took it home.
