Healthy Eating

Aim

- I can identify healthy and unhealthy food, and say how much of them I should eat.
- I can suggest ways to improve my diet.

Success Criteria

- I can say what is healthy about my diet.
- I can say how I could improve my diet.

Healthy Eating Journal

We call the things that we eat, our 'diet'.

Looking at our diet can tell us if we are already eating healthily, or if we could improve our eating habits.

What good eating habits can you see in this Healthy Eating Journal?

How could we improve this diet to make it healthier?

Sample Sheet Healthy Eating Food Journal

	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday

Three god	od things about	your diet:		
9005				
Three wa	ys that you cou	ıld make your	diet better:	

Health Menu Plan

You are going to design a menu for day of healthy eating.

You need to include:

Fruit, vegetables and starchy food at every meal and for snacks.

- 2-3 portions of meat, fish, beans or nuts.
- 2-3 portions of dairy food.

No more than 1 sugary or fatty treat.

Health Menu Plan

Choose food that you would like to eat during a day of healthy eating. Draw them onto the plates and label them to plan a healthy menu.

Your menu should have:

Fruit, vegetables and starchy food at every meal and for snacks.

2-3 portions of meat, fish, beans or nuts.

2-3 portions of dairy food.

No more than 1 sugary or fatty treat.
