

Curriculum Information - Year 1/2 - Summer 1 Week Beginning 11.05.20

Hello children, I hope you are all well and had a lovely long weekend and had a great time celebrating VE Day with your family.

I know it seems like such a long time that we have away from school but try to keep working hard as it will really help you when we get back to school. We are so proud of all of the amazing work that is sent to us. Well done to the children that have been chosen to go onto the school news letter. Keep it going and make the most of this time with your family, you might miss it when it is over. Try to do one lovely thing each day that makes you smile, that could be ringing a friend or family member, going on a walk and nature hunt outside, colouring or crafts or spending some quiet time talking to God in prayer.

(I have attached some encouraging mindful colouring that you could send to family members and some scavenger hunts.

Have a lovely week and remember as long as you are doing your best, you are doing amazing!
Take care and stay safe.
Mrs Stonier

RE

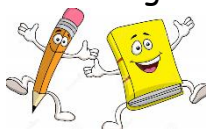

During this special month of May, take some time to think about our Blessed Mother Mary. We ask Mary for help when we need her to pray for us because we know that she is always there. She showed us how to be a disciple of God when she told the people to do whatever Jesus tells us. Mary is important in our lives because she is always guiding us.

Have a go at creating a Mary altar where you can spend some quiet time. Use the PowerPoint to help you. If you haven't got everything needed, you could try to make or draw them.

Complete an acrostic poem like the example of attached. You can use one word or try to write a little phrase if you can.

English

This week complete the 'time capsule booklet'.

On the 9th page it asks you to write a letter to yourself. This means a letter to yourself in the future... maybe in 10 years when you find the booklet it will be nice to read what you were up to. Try to include the different events that we have Celebrated while being at home e.g. Easter, birthdays and VE Day.

There is also a Spelling, punctuation and grammar quiz for you to complete ☺

Birthdays

No-one will be celebrating a birthday this week. However, the following children will be celebrating in May, they are... **Beatrice, Emily, Rayvenne** and **Charlie Leach**. I am sure you are all very excited!

HAPPY
BIRTHDAY

Congratulations!

Well done to everyone who is taking part in home learning - you are all amazing!

- Well done **Lilly**- for working really hard at home, we loved seeing the photos of your caterpillars too!
- Well done **Stan**- Fabulous habitat work and a great book review on Room on the Broom.

Congratulations!
