

Name: _____

Name: _____

Thank you for visiting Charlotte's Clips and downloading these free sequencing cards for Holy Week.

Ideas for using these cards:

1. Cut the cards apart and use them in a pocket chart.
2. Use as a worksheet with students writing numbers in each square for 1st, 2nd, 3rd, etc.
3. Have students color, cut and glue into a piece of paper in the shape of a cross.
