

Spilt Pin Chick in Egg

You will need:

- Split pins
- Yellow and orange card
- feathers
- Googly eye
- White glue
- Porridge oats
- Chick template

Step 1

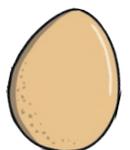

Print out the Chick Template onto yellow card, then carefully cut it out using scissors.

Step 2

Using orange card, draw and cut out a simple egg shape; this needs to be cut into two halves. You could cut a zigzag shape as you cut the egg in half. Also draw and cut out a small beak for the chick.

Step 3

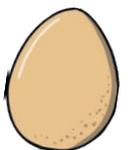

Now decorate the egg halves. To do this, spread white glue over each surface, then sprinkle porridge oats over the glue, ensuring that the whole surface is covered. Then leave to dry.

Step 4

Now give the chick some wings, by sticking a feather onto each side of it using glue. Also stick on googly eyes and the beak, then leave to dry.

Step 5

Use a split pin to secure the two halves of the egg together at one side.

Step 6

Finally, glue the bottom half of the egg onto the chick so that the chick is 'inside' the egg.
