## pCurriculum Information - Reception - Soring week 3 - 18.01.20

Hello boys and girls,

Please keep a look out for achievement point and also awards on purple mash.

Parent's, I would like to remind you that you can also send in work via Evidence me or by email.

Evidence me is a great tool to use to build your child's profile and learning, you can send in photographs and videos of your child's learning, including reading books, pieces of writing, counting, P.E, speech and language, a personal achievement such as putting their own shoes on, brushing their own teeth or helping out at home!

This week our story of the week is **Animals in Winter** <a href="https://www.youtube.com/watch?v=cIzm-G750DQ">https://www.youtube.com/watch?v=cIzm-G750DQ</a>

Our focus story this week is a little bit different. You may notice that instead of illustrations, there are non - fiction (real life/factual) Can you discuss what things we find in a nonfiction book compared to a fiction book? (Photographs instead of illustrations, headings on each page) Do these books still have a title? A front cover?

Please note – this is just a suggested timetable for your day. Please feel free to complete the learning when you feel is best.

	Monday		
English	Animal fact file!  Choose an animal from our story or an animal of you own and write your own fact file.  Think about - What animal it is? Where this animal lives? (habitat) What they like to eat?  Do they change the way they live in the winter?  If you are not so confident writing sentences, you can draw a picture of your chosen animal and tell your adult what facts you have learnt.		
Maths	Number bonds!  https://www.youtube.com/watch?v=y1oa6o0fMKk  Practice your number bonds and see if an adult can test you on them!  What numbers add together to make 3? What about 2? Maybe if you really wanted to challenge yourselves you could use a timer!		
Phonics	Daily online sessions on Teams (please see letter for timings)		
Purple mash	Take some time to look at your 2do's on Purple mash. Are there any more you would like to hand in?		
Story time	Daily online session at 2:00pm		
	Tuesday		
English	Artic adventure!  Imagine we are taking a school trip to the Artic to see what animals we can find!  What would you pack in your suitcase?  You could draw a template like this one here  Can you draw all of the things you would take?  Challenge - write a list of the items so that you don't forget what to take with you!  (woolly hat, gloves, scarf, boots, coats, binoculars, tent, packed lunch)		
Maths	Shape penguins! Can you use different shapes to make a penguin? Triangle for a beak? Circles for eyes? You can use crafts or draw your penguin with pencils		

Phonics	Daily online sessions on Teams (please see letter for timings)		
P.E Try one of Mr Sigley's P.E challenges			
	Can you do a forward roll? Or show different ways to balance?		
Story time	Daily online session at 2:00pm		
	Wednesday		
English	Alliteration!		
	Pick a phoneme, any phoneme and see what objects you can find around the house	se that begin	
	with that phoneme.		
	Example:		
	s - sock, sugar, slippers		
	t - table, tomato, tea cup		
AA . Alica Ationic	Challenge - Make a list of all the things you find.	- 41-1-a 1	
Maths - continue all	Money- please practice recognising different coins with the children. You can do this by		
half term!	looking at different coins, sorting coins or using the Purple mash task set on the accessible all this half term)	e 200 (This is	
	,	an annia ia An	
	Please also practice making amounts, when the children are ready. For example,	• • • • • • • • • • • • • • • • • • • •	
Phonics	What coins can we use to make this amount? (2p + 2p, 1p + 1p + 1p + 1p, 2p + 1p + 1p)  Daily online sessions on Teams (please see letter for timings)		
EA&D	Can you build or create an igloo! You can use junk modelling or any construction	vou have at	
LAGO	home!	you have at	
	You could even draw and design one on paper or on 2simple 2 paint!		
Story time	Daily online session at 2:00pm		
	Suny simile session at 1/septin		
	Thursday

Maths	Problem solvers!		
	Keep using practical and written methods to problem solve		
	Count out different amounts (to 10), can you find one more one less? (you may or may not want		
	to do this practically		
	Can you add amounts together or subtract amounts? Challenge! You could write the + and -		
	sentences to go with your problems		
Phonics	Daily online sessions on Teams (please see letter for timings)		
Purple mash	Take some time to look at your 2do's on Purple mash. Are there any more you would like to hand in?		
Story time	Daily online session at 2:00pm		
Congratulations!	Head teachers Award!	Congratulations!	
	Well done Jessica Ryder!	_	
	Well done all boys and girls for taking part in our show and tell session this week! It was wonderful to hear you talk about something of the things you have made or have had.		

## Five little Penguins

Five little penguins standing by the sea,

Five little penguins standing by the sea.

And if one little penguin should catch a fish for tea....

GOBBLE, GOBBLE, GOBBLE.

There would be 4 little penguins standing by the sea.
