

Hello Year 3 and 4!

Welcome to your Home Learning for this week!

I cannot believe that it is now the last week of term and your last week as a Year 3 and 4. I have loved being your teacher this year children both in school and whilst you have been working at home. You have all made Mrs. Harvey-Oates, Mrs. Paskin and I very proud each and every day. Thank you for making our job so wonderful and bringing a smile to our faces each day.

I really enjoyed our Teams meetings again last week and look forward to seeing you during our end of term celebrations this week.

Wishing a very Happy Birthday to...

Bella who is 8 years old on Friday 10th July

Leon who is 8 years old on Friday 24th July

Star who is 8 years old on Sunday 26th July

Harleigh who is 9 years old on Thursday 30th July

Luna who is 8 years old on Friday 31st July

Thomas who is 9 years old on Sunday 23rd August

...We hope you have a lovely day!

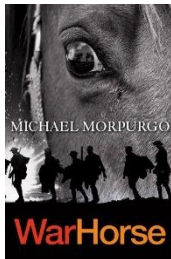

You do have the usual PowerPoint for the LBQ Math's tasks for each day.

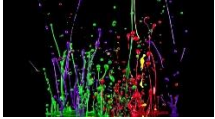

As always, a PowerPoint is included for, Art, Science, Geography and R.E. whilst the activities for Computing, French, Music and PHSE can be completed independently.

I do hope that the wet weather hasn't stopped you getting outside to exercise- hopefully the rain will have watered you and made you grow! **This week is hopefully going to be warmer and therefore you can get out and exercise! As always, anything that gets your heart rate up, makes you out of breath and a little sweaty (but not smelly!) is perfect and you can exercise in any way you wish to as long as it is safe**

Please keep sending in your work. The work you send means so much to us and lets us know that our amazing class is still amazing! Any fantastic work that is sent will either be celebrated on the school website or on the celebration newsletter.

I hope that you enjoy the lessons planned and please do get in touch if you have any questions or would like to show me your work.

R.E.	<ul style="list-style-type: none">This week you going to be thinking once again about the roles and responsibilities involved in the Catholic community. This week, you will be thinking about your own role within the church and why it is so important that you live out your responsibilities and spread the good news in your daily lives.	
English	<div></div> <ul style="list-style-type: none">This week, you will be exploring some of the skills necessary to complete you next Big Write next week. For your next Big Write you will be completing a letter as a soldier on the front lines of the trenches.The printable tasks you include:<ul style="list-style-type: none">- Ordering a letter- Warhorse inference and comprehension chapter 12- Formal and Informal writing- Warhorse inference and comprehension chapter 13- Analysing the features of a letter <p>Tasks will also be set on LBQ that will support the skills you will need to create a fantastic letter.</p> <ul style="list-style-type: none">- I have also included a link to an Oak National Academy that will support you: https://classroom.thenational.academy/lessons/persuasive-letter-identifying-the-features-of-a-text/ <p>LBQ - login at www.lbq.org on a daily basis (a code will be sent to you via text) to check which tasks have been allocated for you to complete.</p> <p><u>English</u></p> <p>Icarus - Greek Mythology</p> <p>Read the pdf story and complete the tasks for each day. This week, you will exploring this Greek myth in more detail from Monday to Wednesday. Read the overview and worksheets for instructions on what to do.</p> <p>On Thursday, complete the SPaG test to test your Year 3 knowledge! The answers can be found at the end.</p> <p>On Friday, ask somebody to read out the 'Spelling script' whilst you fill in the missing spelling on the spelling sheet, just like we do in school.</p> <p>Reading focus:</p> <ul style="list-style-type: none">Complete the Reading comprehension tasks on LBQContinue reading your books at home or remember to collect one from the school office and then take an Accelerated Reader Quiz afterwards: https://ukhosted5.renlearn.co.uk/2248169/	

<p>Reading</p>	<ul style="list-style-type: none"> • I would like you to continue reading Warhorse this week: Chapters 14-15. • As I said above, you also have two comprehension tasks to practice your inference skills based on the twelfth and thirteenth chapters. • Accelerated Reader - you can now access the 'Accelerated Reader' system at home to take quizzes. Please follow this link: https://ukhosted5.renlearn.co.uk/2248169/ • Enjoy some quiet reading time at home- Mr Spencer is now reading "The Fall of Gondolin" by J.R.R Tolkien. This is a fantastic book for the more confident readers! • David Walliams has a daily audio book at 11am. This can be found on David Walliams' website.
<p>Maths</p> 	<ul style="list-style-type: none"> • LBQ - login at www.lbq.org on a daily basis (a code will be sent to you via text) to check which tasks have been allocated for you to complete. <u>I hope that these are still enjoyable and useful for you. If these are not as enjoyable and you would like a different variety of resources, please do let Mr Spencer know.</u> • There will also be five activities on 'MyMaths' for you to log on to and complete. • <u>I do check the scores for these and I am very proud of all of you who are completing them. Please do continue with these!</u> • All tasks on LBQ will have an explanation or guide on the daily PowerPoint. • I would also like you to keep practising on "Times Table Rock Stars" to become times table Masters. I am sure that you will all be professional now and ready for Year 5! • There is also an Oak National Academy lesson to support your learning! https://classroom.thenational.academy/lessons/to-compare-and-classify-2d-shapes <p>Year 3 <u>Problem Solving</u> This week, enjoy some problem solving activities. There is a different one to do each day between Monday and Thursday. On Friday, or another day of your choosing, have a look at the Year 3 Maths test! Test your knowledge - The answers are on a separate sheet. Don't worry if you get them incorrect - practise makes perfect!</p>
<p>Science</p>	<ul style="list-style-type: none"> • This week you shall be consolidating learning based on the production and reception of Sound! It isn't that long ago since you were exploring this in school, so hopefully you will be awesome at researching Sound! This week you will need to explore how our Ears record sound. Please do use the PowerPoint to help you! 

Geography	<ul style="list-style-type: none"> This week, we are again exploring our Mountains topic! This week you will need to use both your Geography and art skills as you will be drawing your own mountain range including all of the key features that make a mountain a mountain! Please do you use your PowerPoint to help you. 	
Art	<ul style="list-style-type: none"> This week in art, you are finally going to be exploring Greek ceramic ware. Please do use the PowerPoint to help you answer the questions to create your research pack! By now you should have a chunky research pack on Roman, Egyptian, Shang and Greek ceramic ware. Once you have done this, you can make your own example! 	
Computing	<ul style="list-style-type: none"> This week I would like you to have a look at the link below. https://turtleacademy.com/ The Turtle Academy is great for coding. You will be exploring coding further in Year 5, so it is a good idea to get a head start! 	
French	<ul style="list-style-type: none"> This week, I would like you to follow this link- https://www.earlystartonline.com Go to the menu and click PUPIL WELCOME Click on FRENCH 1 on the pupil welcome page Use the email address and password here to login: stmarysolog@earlystart.co.uk french20 (all lower case letters) 	
PE	<p>Health-related Exercise</p> <ul style="list-style-type: none"> Keep fit by performing the Joe Wicks workout, daily, on his YouTube channel 'The Body Coach TV'. Mr Spencer is missing this now that he is back in school! https://www.youtube.com/user/thebodycoach1 I would encourage you to explore the "Just Dance" and "Just Dance Kids" libraries on YouTube. He now thinks he is the best dancer in Year 4, so you will need to prove him wrong! You can develop your meditation and mindfulness skills with these useful yoga workouts! Try not to fall asleep! https://www.youtube.com/playlist?list=PL8snGkhBF7nhEc52y4C1S9yqjBQSLCmT4 Please to do keep active over the summer holidays, Mr Spencer would love to hear about what you get up to? 	

<p>Music</p>	<ul style="list-style-type: none"> This week I would like you explore the BBC Ten Pieces page and explore some of the fantastic music that is included on the website. Some fantastic pieces of orchestral music are included, so it is definitely worth an explore! https://www.bbc.co.uk/teach/ten-pieces 	
<p>PHSE</p> 	<ul style="list-style-type: none"> Finally for your summer term I would like you to think about all the things you would like to do and say when you come back to school. Make two posters (as creatively as you can) one with all the words and phrases you would like to say to your friends and teachers when you return to school and one drawing all of the things you would like to do when you come back to school. 	
<p>Congratulations!</p> 	<p>A huge well done to all those who have sent work in to us. It brings us so much joy to see your wonderful work. We do miss you very much and we are so proud of you! I would love it if you kept on sending work</p> <ul style="list-style-type: none"> Well done to Noah on your fantastic reproduction of clay Shang Dynasty Dragons- very impressive! Thank you to Ben for sharing his amazing research on mountains. Well done to Luna Blue-bell on your fantastic persuasive letter to the Prime Minister! Well done Alfie on your very detailed Diary cover!
