

Yours sincerely

Thank you again for such a wonderful meal. I will recommend your café to all my friends, and you will definitely be seeing us again soon!

I recently ate lunch in your café, and I wanted to tell you what a good time my friend and I had. It was one of the most enjoyable lunches I have eaten in town.

Mr Spencer

We were in "St Mary's Cafe" last Saturday lunchtime, and even though it was busy we were served immediately by a very pleasant young man. After ordering our meals, we were able to relax with the delightful view of the Nature Reserve.

Dear Mrs. Rathbone,

The food was the most delicious I have ever had. I chose the salmon and my friend chose the beef. We were thrilled with every aspect of our experience.
