

Hi Year One,

Can you believe we are now beginning our third week of on-line learning! Whether you are learning on-line at home or at school, we think you are doing an amazing job and we are so proud of you and your families. Hopefully, you are now getting into a bit of a routine and you are adjusting to this new style of learning. It's different for all of the staff at school and at home too but we are trying our best to give you the very best education in these very strange times.

We hope you have enjoyed the activities that we have planned for you and once again it has been lovely to see all of your work that you have been sending into school.

Our assemblies and prayers this week have given us the chance to focus on God, asking for his blessing and his protection and now we have the opportunity to join together as a school to celebrate the Mass on a Thursday morning too. We really hope that as many of you as possible will be able to join with us each week for this very special service.

Once again thankyou children for working so hard, we are so proud of you and we are looking forward to seeing you on-line this week!

Take care and stay safe, Miss Boon, Mrs. Clewes, Mrs. Bates and Miss Hardy
