

Hi Y1,

We hope you are all safe and well and you have had a lovely weekend. It has been so lovely seeing most of you on-line this week and your happy smiling faces have really cheered us up!

All the staff want to thank you for all the work that you have been doing on-line and at home with your family. We have loved seeing your work, and we can tell that you are all working hard, so please keep sending it in to us! We hope you have enjoyed your first week of 'live' phonics lessons and it has been amazing to see all KS1 together each day for our daily story sessions.

A special thank you to all your parents, carers and families too who have been helping you at home, it really does make a difference.

Below are your Purple Mash activities for the week. Please remember this is just a suggested timetable BUT the phonics activities should be completed in the correct order as these activities are linked to your on-line 'live' phonics lessons each day!

Keep working hard boys and girls, we are so proud of you!

Take care and stay safe, Miss Boon, Mrs. Clewes, Mrs. Bates and Miss Hardy ☺
