

Hi Year One,

Once again thank you children for working so hard, we are so proud of you and we are looking forward to seeing you on-line again this week! It was lovely to talk to some of your parents and grandparents too last week and we think that they are doing an amazing job keeping you safe and supporting you with your home learning. Below you will find lots more exciting activities and you can pick and choose when you do these throughout the week.

This week is children's Mental Health Week, so we have planned some mindfulness activities for you to complete at home. These have been uploaded onto Purple Mash and you may want to complete them throughout the week or on Well-Being Wednesday. There will also be an on-line Wellbeing session from 2pm-2.30pm on Wednesday afternoon. This will be a nice opportunity for us to share and talk to each other about how we are feeling. Please bring along something that is special or precious to you to discuss with the rest of the class. If you are in school, please bring in a photo of your special object.

Have a great week boys and girls!

Take care and stay safe, Miss Boon, Mrs. Clewes, Mrs. Bates and Miss Hardy

Congratulations!	A special mention to <b>Enzo Conway</b> He is now able to blend and segment CVC words and can even include those words in some simple sentences. His maths skills are also improving every day and he is now very confident counting to 10 Alongside all of these excellent academic achievements, he always uses his manners, has the biggest smile on his face and always has a joke ready to make everyone giggle. Well done, Enzo keep it up!	Congratulations!
