

Year 3 Maths

WEEK BEGINNING: 15.6.20

Monday 15th June

Angles - Identify types of angles

Use the Types of Angles pdf to help remind you of different types of angles and use the video clip here:

<https://www.bbc.co.uk/teach/class-clips-video/maths-ks2-understanding-angles/zk7tf4j>

Remember - an angle is formed where two straight lines meet.

After you have done that, complete the questions on LBQ or My Maths

Tuesday 16th June

Find angles in shapes or turns

Use the Angles in shapes and turns pdf and then complete the questions on LBQ or My Maths.

Wednesday 17th June

Different types of lines

Use the pdf on our home learning page and then try the questions on LBQ or My Maths.

Key words: Horizontal, Vertical, Parallel,
Perpendicular

Thursday 18th June

Find the perimeter

Use the pdf on our Home Learning page and then try the questions on LBQ.

Friday 19th June

Times Tables

Use TT Rockstars or other website to help you revise your times tables and then take the test on LBG or My Maths which will be based on the 8x tables
