Act of the Apostles

When the day of Pentecost came, all the believers were gathered together in one place. It had been 10 days since Jesus had returned to his father, and they all felt a little bit lost. Suddenly there was a noise from the sky which sounded like a strong wind blowing, and it filled the whole house where they were sitting. They saw what looked like tongues of fire, which spread out and touched each person there. They were all filled with the Holy Spirit and began to talk in other languages, as the Spirit enabled them to speak.

Do I still struggle
to believe?

Am I guilty or
ashamed of my lack
of faith?

How might the
Holy Spirit help
me believe
without seeing?

How do I feel
towards those
who encourage
me to have faith?

Your Task...

Red - Sort the written statements from Thomas showing what he thought and felt about Jesus' reappearance before and after the Pentecost. Stick the sentences onto the grid, sorting them into before and after. Stick this into your book when you're finished.

Blue, Green and Yellow - Complete the speech bubbles to show what the disciples and Thomas would say before and after the Pentecost. These should show their change in faith and attitude -especially Thomas'.

If you've finished.....write a short thanks giving prayer to thank the Holy Spirit for the gift of faith and right judgement.

A Prayer for Pentecost

Dear Lord,
Everyday I am faced with choices to make. Sometimes it is not very easy to make the right choice especially when others try to tempt me or pressure me into making the wrong decision. I do not always follow the wishes of my parents or my teachers because I would rather do something other than what they have asked. In times when I need to make difficult decisions, please let me feel the presence of the Holy Spirit. Please let the Holy Spirit guide me and give me the strength to make the right choices.

Amen
