

# Pentecost

L.O. To know how the Holy Spirit works  
to bring change.

# Quick Recap...

- What event did the church celebrate over half term?
- How did this event make the disciples feel? Why?
- What was promised to them that comforted them?

The week after Jesus had returned to Heaven, the disciples were eating dinner in a house in Jerusalem, when suddenly a great wind swept through the house.

Dancing flames came down and touched the disciples on the head, they knew that this was the Holy Spirit.

The disciples found that they could speak in every language. They went out into the street and told the world the Good News.

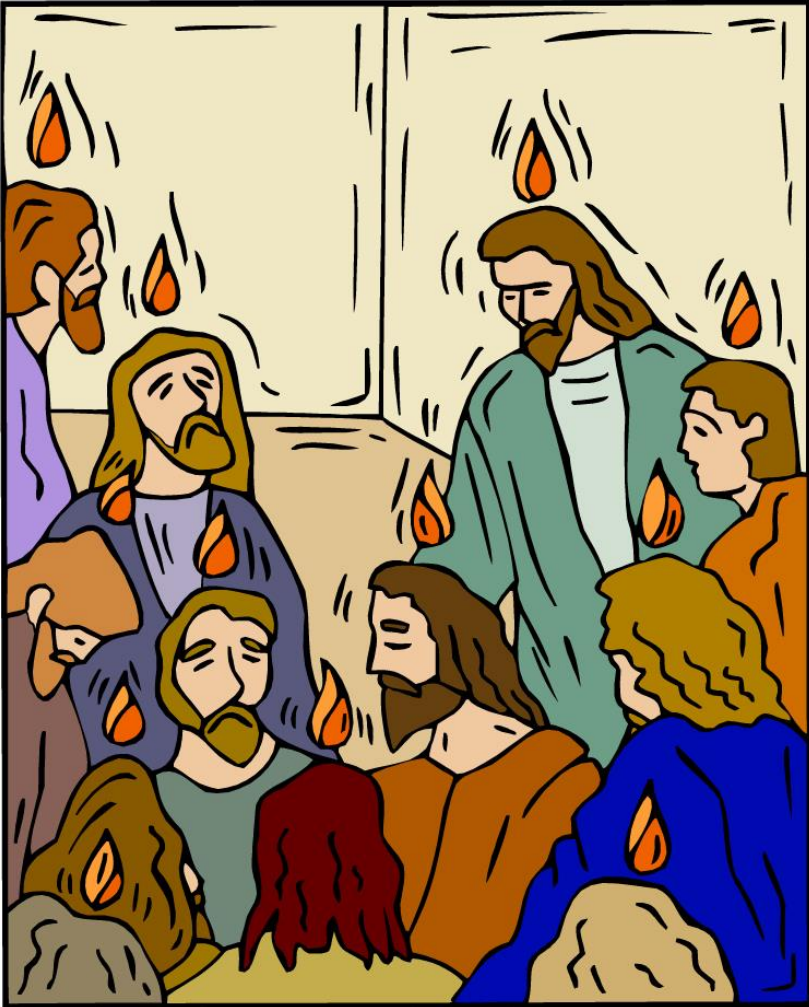

The people asked how they could receive the Holy Spirit in their lives. Peter replied "ask God for forgiveness".

So the people were forgiven and God gave them the Holy Spirit and they began a new life.

# Focus on....The disciples

What were they  
now able to do?

How did this make  
them feel?

When was the last time you  
received the Holy Spirit in your  
lives?

# Remember those fruits....?

Love  
Joy  
Peace  
Patience  
Kindness  
Goodness  
Faithfulness  
Gentleness  
Self-Control

The Holy Spirit does not help us to speak in different languages. He brings us fruits that grow inside us to help us to live our lives more like Jesus.

We can do the same job as the disciples did in spreading the good news, by making sure we use the fruits that the spirit has given us in our every day lives.
